Julieta De Ruggiero

julieta.de.ruggiero@trsym.com

We advise companies and financial institutions in transactions involving domestic and international financings, including loans and capital markets' structures.

Our work comprises all legal aspects relating to syndicated loans, bond issuances, securitizations and derivatives. We also provide specialized advice in project finance and infrastructure financing.

Additionally, our team has extensive experience advising clients regarding banking and securities' regulation, as well as in foreign exchange matters.

Tax, Customs and Foreign Trade

Gastón Miani
gaston.miani@trsym.com

We provide comprehensive advice to clients regarding international, national, provincial and municipal taxation laws and regulations.

We have a strong track-record in complex litigation before administrative and judicial courts, specifically before the National Supreme Court where we have obtained landmark rulings in favor of our clients.

Our team advises clients on national and international tax planning for their business structures and financing alternatives.

In Customs and Foreign Trade, we advise clients in connection with their imports and exports regarding tariff classification, customs valuation, import restrictions, reimbursements and other incentives to exports, dumping investigations, subsidies, quotas and safeguards.

Agustín Griffi

agustin.griffi@trsym.com

We provide advice to individuals, corporations and private equity funds regarding their investments, joint ventures and divestments. We advise clients in each stage of the transaction including due diligence, legal and tax structuring, negotiation and closing of the agreements.

Our team has extensive experience in multiple areas of law (corporate, financing, foreign exchange regulations, tax, complex litigation and antitrust) obtained through their practice in Argentina and abroad, which allows our firm to provide a comprehensive advice in acquisitions and complex investment projects.

Litigation

Mariano Rovelli

mariano.rovelli@trsym.com

Eugenia Pracchia

eugenia.pracchia@trsym.com

We advise and represent clients in cases regarding commercial, civil, administrative and tax matters. Our deep knowledge of our clients' businesses and the challenges they face in their operations allow us to fully understand and anticipate their potential conflicts, and to identify the best possible strategy to address them.

Also, we represent clients before all levels of judicial and arbitration courts, as well as in administrative cases before the national, provincial and municipal administrations. Our scope of work comprises both individual and collective claims, contractual matters, insolvency proceedings, insurance matters, corporate disputes, among others. In addition, we provide support in all negotiation and settlement stages.

We also team up with renowned specialists in criminal law to advise and represent our clients in cases that require litigation before criminal courts in connection with their business activities.

Compliance

Mariano Rovelli

mariano.rovelli@trsym.com

Eugenia Pracchia

eugenia.pracchia@trsym.com

We counsel and represent our clients in compliance matters.

Our work comprises the design, implementation, and follow-up of compliance policies and programs, both regarding prevention and compliance, in accordance with the clients' needs.

We participate in internal investigations related to potential breaches to both internal policies and legal rules related to anti-corruption, fraud and money-laundering, as well as in due-diligence procedures in the context of commercial and financial transactions where assessment of such risks is required.

Pursuant to specific needs on a case-by-case basis, we team-up with firms in other jurisdictions or practices to pursue a comprehensive strategy tailored to achieve the clients' challenges.

Energy, Natural Resources and Infrastructure

Nicolás Eliashev
nicolas.eliashev@trsym.com

We counsel companies, the financial sector and governmental entities in the structuring of energy and infrastructure projects, as well as in mergers and acquisitions of companies and assets in these sectors.

Our team is highly specialized and has a detailed and thorough knowledge of the energy business. Our advice comprises renewable energy (wind, solar, hydro) and electricity on a general basis (including generation, transmission and distribution), as well as oil and gas (including upstream, midstream and downstream).

We represent our clients in new projects' developments as well as in matters in connection with regulators and suppliers. We provide legal support regarding power purchase agreements, gas supply agreements, as well as EPC, BOP and equipment supply contracts.

In addition, we provide specialized advice in connection with disputes and filings before the electricity and gas regulators, as well as other governmental entities.

Public Law

Nicolás Eliashev

nicolas.eliashev@trsym.com

We provide specialized counselling in Administrative Law to businesses in the energy and infrastructure industries, as well as to companies in the manufacturing, commercial, finance and service sectors, in regard to their legal interaction with governments and regulators, including procurement procedures.

In addition, we advise our clients in all types of regulatory disputes.
