# Our clients always come first

We provide comprehensive advice, with an innovative approach and commercial focus targeted at adding value.

We stand out for our responsive and collaborative work, partner-involvement and a team of dynamic and committed associates.

# Our Practice

---

We provide strategic legal advice on Public Law matters, such as:

- Public procurement procedures before the National Government, the provinces, the City of Buenos Aires, and other entities, agencies or corporations, which involves advice with respect to the bidding rules; preparation of offers; challenging other competitors' offers; and the execution of the relevant contract (if awarded), including compliance of conditions precedent.
- Public works contracts, public concessions contracts, public utilities or assets under eminent domain, supply, or leasing, and other private or public-private partnerships (PPP).
- Public Law procedures: administrative claims; filings; among others.

# Our Practice

---

- Advice securing authorizations, licenses and permits.
- Advice in financial or corporate transactions with a Public Law angle, including creation and perfection of securities or other guaranties; limitations under the relevant contract; assignment or securement of authorizations, permits and/or licenses.
- Advice in matters related to the National, Provincial or City of Buenos Aires state liability, on contractual and non-contractual matters.
- Day-to-day support to companies acting in sectors such as oil & gas, power, mining, construction, finance and banking, retail, entertainment, manufacturing, among others.

# Our Identity

Tavarone Rovelli Salim Miani

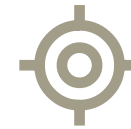

## Service

We are always available to support our clients with tailor-made solutions with a focus on their business.

## Expertise and global perspective

We are experts in our areas of practice and have a detailed knowledge of the local market.  
Our outlook is global and adapted to international legal markets with excellent collaborative relationships with worldwide Law Firms.

## Quality

The depth of our analysis and our grasp of the issues allow us to successfully overcome the challenges that may always arise when dealing with legal matters.

# Great Place to Work

---

Building a work environment that continuously adapts to current challenges and events is an essential part of our identity. Our goal is to promote the personal and professional development of the members of our team.

The **Great Place to Work®** certification is a distinction that fills us with pride because it's the result of our team's opinions, which highlighted values such as integrity, communication, community, hospitality and competence.
